

Are you new to Supply Chain Management?

Would you like to expand your knowledge of Supply Chain Management?

Yes? Then the ISCEA CSCA (Certified Supply Chain Analyst) certification is for YOU

The **CSCA** is an entry-level program specifically aimed at **young professionals**, those who are **ready to start their career in Supply Chain Management** or those aspiring to **move into a career in Supply Chain Management** or to **gain a solid foundational knowledge of the end-to-end supply chain** .

The program includes the processes, tools and concepts needed to understand, enhance, and improve Supply Chain efficiency and profitability, as well as useful approaches to cleaning, analysing, and deriving understanding from actual supply chain databases. The content covered provides the knowledge and preparation required to sit for the examination which leads to an international certification from ISCEA.

This program is designed to provide you the opportunity to demonstrate your mastery of the body of knowledge relating to the basics of the supply chain. Foundational topics, theories, decision aids, strategies, etc. will be presented in a clear and concise manner. Specifically, some of the topics presented are Sourcing, the role of inventory in the supply chain, MRP, and Transportation. Beyond these specific supply chain topics, related issues such as Team Dynamics, Sustainability, Lean and continuous improvement tools, will be presented. A CSCA designation demonstrates your expertise.

Perfect Program For:

- Entry-level supply chain professionals.
- Organizations in need of a baseline common language for their supply chain team.
- Individuals involved in supply chain improvement projects or systems implementation (ERP, Lean, etc).
- Proactive individuals looking to stand out in the eyes of recruiters or current employers.

About ISCEA

The International Supply Chain Education Alliance (ISCEA) <https://www.iscea.org/> was the first organization certifying supply chain professionals around the globe, and it remains the worldwide authoritative resource for supply chain career development with thousands of certificate holders commanding top-tier salaries.

ISCEA's mission is to provide total supply chain knowledge to healthcare, manufacturing and service industry professionals through Education, Certification and Recognition. ISCEA is the developer of Internationally recognized certification programs of Certified Supply Chain Manager (CSCM), Certified Supply Chain Analyst (CSCA), Certified Healthcare Supply Chain Analyst (CHSCA) Certified Lean Master (CLM), Certified Supply Chain Technology Professional (CSCTP), Certified Demand Driven Planner (CDDP) and others. ISCEA is the governing body for the Ptak Prize. ISCEA members hold mid to upper supply chain management positions in Global 2000 companies.

About SAPICS

SAPICS, The Professional Body for Supply Chain Management NPC, is a partner of ISCEA. SAPICS is able to provide our members with discounted rates for all ISCEA programs. We offer two options for individuals to do the CSCA program and earn the certification: **Online via ISCEA OR Workshop via SAPICS**

How much will it cost?

SAPICS member = R11 500 (Excl. VAT)

SAPICS non member = R13 000 (Excl. VAT)

SAPICS Membership = R975.00 (Excl. VAT)

Details of the two options:

CSCA online via ISCEA - this option is available throughout the year

- Complete the registration form, receive an invoice from SAPICS. Once payment is received, SAPICS will send your details to ISCEA.
- ISCEA will email instructions on how to access their Learning Portal.
- You will download the eBook and you can view the recorded sessions at times that are good for you, any number of times, from anywhere.
- Once you are ready with the preparation, you request the two practice exams, of 25 questions each from ISCEA.
- Recommended that you register and take the exam within 30 days from date of registration with ISCEA.
- CSCA Online Final Exam is done via iProctor. ISCEA will need a scanned copy of your National ID to confirm your exam date.
- Should your first exam be unsuccessful, you have one retake exam, free of charge, if needed.

CSCA workshop via SAPICS - this option is available twice a year, a minimum of 7 attendees are needed for the workshop to go ahead

- Complete the online registration form, receive an invoice from SAPICS. Once payment is received, SAPICS will send a confirmation.
- SAPICS will email a pdf copy of the workbook.
- Workshop runs over 4 half days and presented by ISCEA endorsed instructor/s.
- SAPICS will email details of the available exam dates for you to select and communicate your choice to ISCEA. A scanned copy of your National ID is required to confirm your exam booking. ISCEA will send you a link to two practice exams of 25 questions each.
- It is recommended that you register and take the exam within 30 days after attending the workshop.
- CSCA Online Final Exam is done via iProctor.
- Should your first exam be unsuccessful, you have one retake exam, free of charge, if needed.
